

Utility Committee Meeting Minutes
February 24, 2020
4P-City Meeting Room

Present: Greg Bernstein, Matt Seykora, Jeremy Ketterling, Mayor Schoenborn, Superintendent Fulsebakke, Brian Day of Midwest Assistance Program.

Absent: Auditor Nostdahl

Meeting called to order by Bernstein.

Minutes: Previous meeting minutes were reviewed and approved.

Garbage Rates: Garbage rates were discussed for commercial and residential. Brian Day provided insight into the ways that other cities are billing for garbage services. Varies by city. Brian provided Sanitation Rates for city of Grand Forks to review. He will also provide additional information in the future.

Jeremy Ketterling made a motion to adopt his version of rate changes. Motion failed no second.

Motion by Seykora to review special rate codes and assign the correct current rate code that matches the dumpster and pickup frequency. Second by Ketterling. Motion carried, all in favor.

Next Steps: Correct billing and rate codes for accounts that are not correct for garbage services using the current rates. Account rate codes, rates, and dumpster sizes will change where necessary to reflect the actual services being provided. City office to provide a listing of accounts that have changed with new rates to Utility Committee after initial round of clean up is complete.

Meeting adjourned at 5:30 p.m.

Next Utility Meeting scheduled for March 18, 400P at State Bank Board Room.
